4. Send your order to services@twinbru.com.

Image Resolution

1920x1080 pixels (FullHD)

3840x2160 pixels (4K)

Required Reference materials

To achieve an accurate result please provide a moodboard or briefing that includes the following:

- ✓ Visual references that indicate the style of the scene.
- ✓ A floor plan of the scene to be created, showing placement of the most important elements.
- ✓ An indication of the camera viewpoints and angles.
- ✓ If you have a preference, please also define the following:
 - Flooring, wall materials/wallpaper
 - Additional furniture: tables, cabinets, seating.
 - Decorative: plants, paintings, books, art, other accessories...
 - Electronics
 - Outside environment shown through windows (city, mountains, ocean, tress, ...)

Examples of good moodboards can be found on the following pages.
